Dear Parent/Carer,

Re: Mock Results day

I am writing to inform you that on Wednesday 11th December, students will participate in a 'mock results day' following their Year 13 exams. They will be bringing home a copy of their overall results for your review. Additionally, these results will be available to parents by the end of the day on Go 4 Schools. You can log on and view the results at your convenience. Should you need any support with your log on details please email on this email bj@stbernards.southend.sch.uk

It is important to acknowledge that the students have worked hard during the mock exam season, and they may have experienced some nerves due to the formal exam setting. This experience is valuable in guiding their revision process and evaluating the effectiveness of their current study programme. The insights gained will help in tailoring their approach to exams and studying. The Year 13 Parents' evening is on Thursday 12th December where staff will be available to provide you with details and discuss how to assist your child. Furthermore, please be aware that there will be a second series of mocks for the students in February. For any additional support, all students are encouraged to seek assistance from a member of the pastoral team.

Thank you for your continued support.

Kind regards,

Deputy Headteacher
