Dear Parent/Carer,

Re: PSHE programme

As part of our PSHE programme, all students from years 7-13 watched a production from 'theatre for schools' which is the 'U. K's central link for educational theatre'. The play focused on the dangers of the internet and using the internet safety as well as grooming and child sexual exploitation.

The play raises awareness of the journey that young people may have been on that has resulted in them being exploited – a journey that can all too easily make it seem as though they have 'made their own choices' and can leave them not seeing themselves as victims and fighting against any intervention.

Form time tomorrow will give your child the opportunity to ask any questions if they have any and for any further discussion to take place. Topics such as these can be hard hitting, but it is very important that our students are educated on the dangers so that they do not put themselves at risk.

If your child would like to discuss further any of the safeguarding topics covered, please could you let their Head of Year know and this can be arranged via our team of learning mentors.

Yours sincerely,

Mrs H Barnes

Deputy Headteacher
