

Dear Parent / Carer,

The Maths department has made an adjustment to the Year 11 Maths Mock Exam Schedule.

Students will now complete **two** Maths mock papers during the mock examinations rather than three. These two papers will provide us with the information needed for Mock 2 data and Teacher Predicted Grades. Students will still complete a third paper later in the year as part of their ongoing preparation. Students will be informed of this in lessons, but we wanted to ensure all families were aware of the change.

If you have any questions, please contact the school office@stbernards.southend.sch.uk address your email to me.

Kind regards

Mr Miller
