

1st December 2025

Our ref: MBE/hsa

Dear Parents and Carers,

As part of this academic year's KS3 Enrichment Day, Year 8 students will have the exciting opportunity to visit

**Belfairs Nature Discovery Centre,**  
Eastwood Road North,  
Leigh-on-Sea,  
SS9 4LR.

Students should meet staff at the Nature Discovery Centre at **9:25am** and be collected, or make their own way home, at **3:00pm**. The day will include **three engaging outdoor activities** and a lunch break. Please ensure your daughter brings a packed lunch and wear clothing suitable for the weather and outdoor learning  
The total cost of the trip is **£12**.

Although attendance is not compulsory, we are very keen for all students to share in this enriching experience and encourage everyone to take part. Belfairs is approximately a 30-minute walk from Leigh-on-Sea train station; however, we encourage car sharing where possible.

If your daughter is unable to make her own way to Belfairs, we may be able to offer limited transport for a small number of students between school and the venue. Please indicate on the questionnaire below whether your daughter will require travel to Belfairs, from Belfairs, or both.

[Minibus travel to or from Belfairs - Year 8 Enrichment Day - 11th March 2026 – Fill in form](#)

To secure your child's place, please make payment via ParentPay by **Friday 9th January**. We sincerely hope that every student in the year group will be able to join us.

This promises to be a fantastic opportunity for students to challenge themselves, collaborate with their peers, and enjoy a memorable day in nature.

**Yours sincerely,**

*Mrs M. Bell*  
Head of Performing Arts
