

Warm ups - instructions

- Students attend all external exams
- Students will go to all timetabled lessons unless:
 - a) They have an external exam or
 - b) They have a pending exam and a 'warm up' session is on the timetable
- Period 2 timetabled lesson as normal for those students who do NOT have a pending exam
- Students attending a 'warm up' session will go to the allocated room at 11.10am (start of period 2)
Here they will have a 'warm up' session with a subject specialist in preparation for the pending external exam at 1.30
- Students who have an external examination will be taken to early lunch at 12.30 in the servery . (Please note that afternoon exams start at 1.30)
- Students who do not have an external exam in the afternoon will go to period 3 timetabled lesson as normal unless there is a planned 'warm up' session for a pending exam the next day
- All students go to period 3 as normal unless in an external exam
- In preparation for external examinations for the following morning, we will timetable for a 100 minute 'warm up' session during period 3 on the previous day, again with a subject specialist.
- Monday 10th June is a staff INSET day. **External examinations go ahead as normal.** Should there be any reason why the school closes, examinations will always go ahead.
Students who have an afternoon exam on this day, have the option to leave site at the end of the morning exam and go home or stay on site in the 6th form supervised study room in St Helen's Centre or the school Library to revise. If students decide to stay on site, they will only be allowed to leave site for lunch at 12.15 and are expected back for 1.15pm line up.
- There will be two study leave days allocated which are
Tuesday 21st May and Friday 24th May
- Study leave will begin from Friday 24th May and so students will only be expected to return Monday 3rd June if they have an external exam.
-
