

AAD/nmr

29 April 2024

Dear Parent/Carer,

This year, your daughter has been studying two modern foreign languages: French and Spanish. In Year 8, she will continue to study one of these languages and it is now time for her to decide which is her preference. We would encourage you to discuss your daughter's decision with her prior to her submitting her choice. Please note that she will continue to study her chosen language until the end of Year 11 and she will be entered for the GCSE examinations in this subject.

During form time on **Friday 10th May**, your daughter will complete a simple form to indicate whether she would prefer to continue her studies in French or Spanish. She should have made her decision prior to this date and should be ready to complete the form on this morning.

We hope your daughter has enjoyed her experiences so far in both French and Spanish and we wish her all the best in her future studies.

Your faithfully,

A Dubois

Miss Dubois (Head of Languages)
